3. Name of the register

Stakeholder register

4. Purpose of use of personal data

The personal data are used for communication and information sharing between TYS and its stakeholders as well as for organising events intended for stakeholders.

5. Data content of the register

The register contains data necessary for meeting the purpose of use for personal data, such as:

- name information
- title/position
- employer
- contact information (mailing address, phone number, e-mail address)
- registration and participation in events
- information on newsletter subscriptions and other marketing preferences
- profiling data collected with the help of cookies and similar technologies

6. Regular data sources

The data are collected from the data subjects themselves in the context of e.g. meetings or other communication. Data can also be collected from outside sources such as newspapers and other publications, generally available internet and other sources, and registers controlled by outside service providers.

7. Release and transfer of data

Data will not be disclosed or transferred outside TYS for any other purposes except for companies commissioned by TYS and working on behalf of TYS when they are managing assignments agreed with TYS, for example tasks related to marketing and event production.

8. Data transfer outside the EU or the European Economic Area

No data is transferred outside the area of European Union member states or outside the European Economic Area.

9. Data protection

Any electronically processed data in the register are protected with firewalls, passwords and other necessary technical means generally accepted within the data security field at the time.

Any manually maintained data are located in spaces with restricted access for outsiders.

The register is only accessible by designated employees of the data controller and companies working for and on behalf of the data controller, who have signed a confidentiality agreement, with an individual access right granted by the data controller.

10. Right to access, restriction and rectification

The data subject has the right to inspect which data concerning them has been recorded in the register. The data access request should be sent to the data processor and it must be written and signed. The data access request can also be made in person in the presence of the data controller.

Written requests should be sent to the address:

Turun Ylioppilaskyläsäätiö
Talousjohtaja
Tarkastus- ja kieltopyynnöt
Yo-kylä 12 A
